1-800-GOT-JUNK? is heavily experienced in radio buys, and looking to expand its media reach, with a major focus on television, to drive greater brand awareness, attract new customers and grow revenue. We have aggressive growth targets over the next five years and are looking for best-in-class media partners across a variety of media channels that will advocate for our franchise partners and deliver exceptional media buys in every market we serve.

1-800-GOT-JUNK? has over 150 franchises offering full-service junk removal across three countries, Canada, USA and Australia.

The closing date for proposals is August 3, 2020, with presentations of shortlisted agencies planned for the week of August 24, 2020.

If you are interested in participating in our Media Buying RFP, please fill out the contact link below. Once we have reviewed your submission, if you meet our qualifications, we will send a non-disclosure agreement for signature. Once we receive the NDA, we will provide you with the full RFP document. Please check back here for any updates that may be posted.
